HUP SAYS HELLO

HUP is a hotel and sports club where we mix sports with a huge scoop of fun. Here, everything goes. Play all you want. We have all the space you need. Play games, play sports. It's up to you. Fitness, bowling, cycling, tennis, soccer, golf, basketball and more. Do as you please. Or do nothing at all. Just take a break and relax. Anything to get your game on.

Catching Z's is great at HUP. But there is so much more to us than a good night's rest. Play time isn't over until you decide you've really seized the day at HUP. Then it's time to head back to your room and kick back. Well, you might find some more things to play with first. Aaaaah. Now, you've really earned your sleep. You'll need it too. Before you know it another fun filled day is waiting for you. Here we go! Or as we say in Dutch; HUP!

GAME ON!

Even though we live sports, we're not dead serious about it. Sure, we have cool sports facilities and professional soccer fields. Sure, the entire hotel is peppered with athletic features. But don't take things too seriously. They are all meant to make you smile. That's the game we like playing most. And the game is spelled F.U.N. Just be you. Do things at your pace. Have fun with it. That's what makes you better.

COME TO PLAY & STAY

Your number 1 goal at HUP is to have loads of fun. Together with your family, your colleagues, your team. What is it that brings out your inner child? Is it the indoor miniature golf, the bowling alley or one of our many slides? Even our conference rooms are decked out with ball pits and ping-pong tables. Add a healthy dose of good food and drinks and you've got the formula which will make you want to Play & Stay at HUP over and over again.

DO AS YOU PLEASE

With up to 10.000 m² of HUP space, there is no escaping the fun here. More concrete: that's about two soccer fields stitched together. Get the idea? HUP is HUP Sport, HUP Bowl & Grill and HUP Meet. Staying, playing, bowling, grilling, meeting ... it's all HUP. And be sure to throw in some chill time in the sauna or swimming pool. This is the perfect hotel for a weekend getaway with friends or family. A great spot for a training camp, kids' party, a special meeting or for a fun night out. Come join in at HUP in Mierlo, The Netherlands.

YOU GET WHAT YOU WORK FOR NOT WHAT YOU WISH FOR

HUP MEET

BUSINESS AS UNUSUAL

HUP puts its own twist on meetings, conferences, teambuilding exercises and company retreats. A twist that involves ball pits and ping-pong tables. That's the HUP way of doing business. Here, the ball is in in your team's court. Hit it out of the park. Counter every challenge. Roll with it, have fun with it. We can offer you all you need. The only question is: do you have the balls to shake things up?

EVERY WINNER WAS ONCE A BEGINNER

TEAMWORK MAKES THE DREAM WORK

HUP loves coaching. We're here to lend a helping hand to all teams. At HUP you can change your perspective of your workmates by becoming teammates. Or opponents. Let's see how that works out. Here, there are no penalties for stepping on some executive toes on the soccer field. You get applauded for playing games with your colleagues. It's all in good fun. Nothing a drink at the Sport Bar can't fix. Especially if you ball it all out together at the bowling area. That's how you build winning teams.

BOWL, GRILL AND CHILL

What is it that makes bowling so much fun? The iconic, two-toned shoes, the coloured balls, the outfits, only fit for the coolest dudes? Everyone loves bowling. Everybody knows how to bowl. Sort of. Or not quite. But that's exactly the fun of it isn't it? For everyone. Let's be honest, a threesome of bowling, beer and some real Dutch bitterballen?

STAY HYDRATED!

 HUP special!
